

A photograph of three women sitting on a concrete ledge by the water, looking out at the ocean. The women are seen from behind, and the water is a deep blue with gentle ripples. The sky is not visible, but the overall scene is peaceful and contemplative.

***friends enchant my reveries  
and captivate my mind  
like diamond facets glistening  
a rainbow-thrown wind  
when we exchange a beingness  
that words cannot explain –***

***a part of me escapes my skin  
to be a part of them  
while parts of them blend into me –  
until i become  
richer – and more magical  
than i have ever been.***
