*i do not drink merlot
and should not want pinot
ought not crave malbec
and yet i do –*

*i do prefer it not
to coffee chocolate
or fruity soda pop
of course i do –*

*i recognize the not
that aggravates the want
until i want it more
than i presumed –*

*for is it not the not
that pressures mind and thought
till each and every want
must be consumed?*
