

...june 5, 2015...

sometimes i'm a child again  
believing magic moons –  
sometimes i'm a sister trapped  
between the fork and spoon –

sometimes i'm a brother racing  
highways to the stars  
and sometimes i'm a mother  
singing infant lullabies –

sometimes i'm a father  
diving oceans into pearls –  
yet i am always me – exploring  
life in multiples.
