

A photograph of a duck in flight, wings spread wide, flying from left to right. The duck is in the foreground, with a cityscape and trees blurred in the background. The sky is a pale, hazy blue.

...october 31, 2018...

this is my city – pavement streets
in multi-flavoured restaurants
with seawall trails in cormorants
and ducks and geese and moss washed rocks –

this is my city – postcard skies
of mountains shifting sunset peaks
and oceans stretching into mists
beyond the trees of centuries –

raccoon branches – squirrel logs
and chickadees to dance my hand
then coffee corners swirling
to garden streets and salt winds.
