

...august 12, 2023...

*colour me indigo
and i am queen –
wearing a twilight velvet cape
multidimensional
in jewelled stars –*

*colour me in crimson–
i am queen –
with roses as a crown
beauty balancing
between the thorns –*

*colour me emerald
and i am queen
reigning cosmic forests
and mountain trails
that touch eternity –*

*colour me ultramarine
and i am queen –
a queen that is no queen
ruling silent shadows
that weave the hidden mind –*

*colour me in amber –
i am be queen
transmuting tales that
no one else has told
into new gold –*

*colour me violet –
and i become
the rainbow queen
that is and was forever –
and yet has never been.*
