

...july 18, 2023...

**today the bells of anna  
today the tara song –  
today the hugs of kelly  
toll the power of love –**

**today the jaxon magic  
today the rylee smiles  
today the heart of maximus  
playing cards with dreams –**

**blossoms of magnolia  
scent the honeyed air  
with ryan charity and blaine  
with ann and doug and dave –**

**today a magic gathering  
today we are together  
with sunshine breezes wandering  
the laughters of forever.**
