

...june 25, 2025...

***anagrams make  
marg a gram  
mope a poem  
and post a spot –***

***anagrams make  
lips that slip  
till eleven plus two  
is twelve plus one –***

***so we'll fear the fare  
to hate the heat  
till each stone notes  
that the earth is our heart.***
